

## Monday 20/04/2020 - Friday 24/04/2020

Hi girls,

While it may have been a different type of celebration this year, I hope you all had a lovely, relaxing Easter and that you and your families are safe and healthy.

I have attached your work for this week below. Again, I would like to remind you that I understand these times can be unsettling and difficult so please only complete as much of this work as you can and remember the importance of quality over quantity. I would also like you to continue reading, staying active and helping your families at home.

If you have any questions, would like some guidance or maybe you have a piece of work you are proud of and would like to share it with me please contact me via email. I am looking forward to hopefully seeing you back in school soon.

Ms. Cormican ☺
