

First Class Homework: 30.03.20 – 03.04.20

Hello to all the children in First Class.

I hope you are all well and that you are being good for your Mums and Dads.

Please watch the 'Home School Hub' which is shown on RTE 2 @ 11am from Monday to Friday.

Here are some suggestions for home work:

1. Continue with next week of Spellbound
2. Continue with next week of Master Your Maths
3. Combined Reader - Unit 3b - Life cycle of a butterfly

Focus words: creatures, lifecycle, example, stages, juicy, hatch, caterpillar, attached, pupa.
Pg27 Comprehension and Vocabulary, pg28 Grammar - Ordinal numbers

Report writing: We are concentrating on report writing , so go back and read the life cycle of a butterfly, keeping on mind it is a report about a butterfly.- now go to pg29, read the report about the honey bee and fill in the important information e.g. title, introduction etc.

Phonics: - "ng" sound ring, sing, wing, bring, thing - can you come up with some more.

Reading eggs - excellent website and you get 2 weeks free trial.

Tables: Tables 12+

P.E: "Joe Wicks" on You tube.

There are lots of fun and educational websites and links on our school website if you have not accessed them already.

Don't forget to read all those lovely books that you have at home.

Keep safe,

Joan Glynn
