

EASTER ACTIVITIES

1. Create an obstacle course in your garden, use your imagination - what can you use from around the house?!
2. Create an Easter mask from a cereal box or paper?
3. Make your own snakes and ladders game!

4. Easter Bunny says: call out signal and students do the action for about 10 seconds; continue calling out signals; HEAR, THINK, DO

Easter Bunny- hop like a bunny

Easter Eggs- curl up into an egg shape and roll in different directions

Easter Basket- make a bridge, tummy side down

Easter Parade- march with high knees, swinging arms high

Chocolate Rabbit- as you get eaten slowly melt to floor

Easter Circle- move and stand on the large circle

Easter challenges:

Egg roll

Elephant Walk

Bunny Hop

Eggbeater: Spread out to allow themselves space. Leader holds up an imaginary egg beater and tells the students to move like an egg in a bowl, gooey, slimy raw egg floating in a bowl. The teacher begins beating the egg beater, students keep a close eye to see if the egg beater is beating fast, slower, pause, beat one way or the other.

Variation: washing machine- students are clothing in a washing machine; birds flying through
different kinds of weather; twisting screwdriver; jumping frogs, kangaroos; speedy cards;
plodding
snail; rolling balls; ice skater;

Egg Toss: Partner activity. Face partner, toss ball (egg) underhand, if caught both players take a step back; if missed players start over in the beginning position

EASTER RELAYS:

Egg Run- Scatter plastic eggs/ coins/teddies/counters/cushions etc on the floor. Every child runs down where items are scattered on the floor; grabs one egg and runs back; continue until all items are collected. Child with most items is the winner.

Egg Balance- The first student is given a plastic egg which he/she will balance on a spoon. A cone is placed at opposite end of the room. The student places the egg on the spoon and tries to balance it back.

Bunny Hop- Give each team a ball, the giant Easter egg. The first person puts it between the legs, hop down to the end and back; hand the ball to the next person.

Blind Bunny- Give each pair blindfolds; person one puts on blindfold; person two leads person one to end; exchange places; continue until all have gone.
