

Dear Parent /Guardian,

I hope that you and your families are all safe and well.

I am sure that by now, you are all aware of the government decision on Friday last to keep all schools closed until next September.

For the remainder of this term, we will continue to provide continuity of education and support for all of our pupils. Currently, we are using a combination of emailing and posting homework assignments to our families. Please remember that there is no pressure on your child to complete all of the homework assignment as your family situation and specific circumstances may dictate that education is not a priority at any given time.

During the course of the next couple of weeks we will be communicating with you to get feedback as to how this distance learning is progressing. You are most welcome to email your child's teacher with any concerns and /or suggestions that you might have.

In the meantime, please continue to encourage your child to continue to practice good hygiene etiquette, to continue to practice social and physical distancing and to maintain the current restrictions on congregating for the safety of all in the community.

Thank you for your co-operation in these matters.  
Yours sincerely,

Patrick Coyle,  
Principal.
