

## Homework for Fourth Class: Ms Dunne:

Hi girls,

I hope you're all well. No doubt you're all really missing school by now. Easter is nearly here and so you'll have a break from school work for a couple of weeks. Here are a few ideas of things you could do this week because it's a good idea to do a little bit of school work each day.

- Revise the list of compound words in your copy. Read over the words and then see if you can add to the list yourself.
- Read over the list of 'soft c' words. Soft c makes the /s/ sound for example ice, nice, space, distance, centre, circus. Add to the list if you can.
- Read over 'Space Questions' in your Starlight book. Then write down five new things you learned about space in your copy.
- Diary entries. Ms. Cormican suggested you write a diary entry each day which is a great idea.
- Read a little each day or listen to a story being read if you prefer. Maybe you could read a story to your younger sisters/brothers to help keep them entertained.

Don't worry about getting all the work done. As I said do a little bit each day. Make sure you have fun. Play games, bake, create some art, get some exercise. Most importantly stay well and stay happy.

Ms. Dunne.
