

## Homework for Fifth Class: Ms Loughnane and Ms Mannion:

Hi girls,

Hope you are all keeping well and safe. We miss you all and are looking forward to when we can safely return to school and get back to our normal every day routine. Remember we are all in a period of adjustment and everything is very new to us all. Continue to take care over the next while and be sure to enjoy the fine weather too.

### English

- Continue with all English content Ms. Ruane has recommended for this coming week ( spellwell, library reading, diary entry and free writing)
- If you have access to a laptop and a printer you might like to type up your completed narrative on “The stolen painting” and print it. This could then be presented to your family. (Remember to use your checklist to make sure you have included all the important points of a narrative AND be sure to entertain your audience!)
- The girls who had started [www.rapidtyping.com](http://www.rapidtyping.com) might like to revisit this programme and aim to perfect their touch typing skills.
- Continue to source easy baking recipes that you and your family can make and enjoy together. Write a procedure for how to make your dish. Don't forget to include: ( Clear title, equipment, logical steps; First/next/then etc), bossy verbs and evaluation).

### Maths

- Continue with your mental maths ( As outlined by Ms. Ruane)
- Planet maths : p.26 and p.27 ( mental maths 1 A,B,C,D)
- **Continue to revise all tables ( addition, subtraction, multiplication and division (Math magician is great for practise)**
