

## **Homework for First Class: Ms Loughnane and Ms Mannion:**

Ms. Loughnane/Ms. Mannion

Hi there,

Hope you you are keeping well and safe. We miss you and are looking forward to when we can safely return to school and get back to our normal, everyday routine.

- Continue with next week of spellbound ( As recommended by Mrs. Glynn)
- If you have already completed 3b (Life cycle of the butterfly) you can revise all the new words from this and check that you know the meanings of these words. See if you can put the new words into sentences
- Grammar: revise ordinal number : first/second/third etc. Look at the picture of the caterpillars having a race to help you (p.28)
- Report writing: revisit the report on the honeybee. Make sure all the sentences are under the correct title. Read your report out loud for your family.
- Phonics: Use your copy to go back over the magic e with “a” and “l”, “y” at the end eg. Teddy and “ck” at the end of words eg. Duck
- Reading: continue with reading as outlined by Mrs. Glynn. Another great website is [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk). It has lots of free e-books to read.
- Have fun if you decide to do some baking. See if you can name all the equipment needed when making “queen cakes”. Can you remember all the steps involved ? Explain what you did using words like first/next/then /Last ..... ENJOY!!!!
