

## **Ms Murray: 6<sup>th</sup> Class:**

### **ENGLISH 6th**

Hi girls, This is Ms. Murray.

I hope you and your families are well and minding each other as this time.

This is a difficult time for everyone in your homes.

It is a once in a century event - that means something like this only happens once in every 100 years.

The most important thing for you to do at this time is mind yourselves and your families.

All this will pass and school and your learning will return to normal.

In the meantime Ms. Egan and I have been in contact and she has set out work for you which you can do.

You can try these too.

Next Week is Holy Week, followed by Easter the greatest celebration in the church's year. There is lots of reading material and questions here for you.

### **MATHS 6th**

Hi girls, This is Ms. Murray.

I hope you and your families are well and minding each other as this time.

This is a difficult time for everyone in your homes.

It is a once in a century event - that means something like this only happens once in every 100 years.

The most important thing for you to do at this time is mind yourselves and your families.

All this will pass and school and your learning will return to normal.

In the meantime Ms. Egan and I have been in contact and she has set out work for you which you can do.

If you look at the links on the school website there are lots of Maths ideas so have a look at these.

This is a great opportunity to work on your tables. Keep practising and remember practise makes perfect!
